WEEK 4 GOLF LEAGUE NOTES

Wow, has it been two weeks? I have had the shakes due to no golfing... or maybe it was due to missing my tasty reward of a burger and beer afterwards. Of course we have a 2 week layoff after I play my best round of the year, now I've forgotten everything! By the way Mike, did you shoot a 53 last time??? Your HDCP is now equal to Steve's and lower than mine. You didn't have to take dropping a score so seriously. Stop sandbagging! At least Matt V. made it look good by avoiding the 50s. Did you sleep with a bunch of whores and then your girlfriend found out about it and bashed in the window of your Escalade and then your face? Or are you blaming your bad play on your "knee" injury? Whatever the case, the saddest part is Steve couldn't beat you. He should be taking this opportunity to gain ground on the brother vs. brother rivalry, but he blew it again. (That's what she said.)

We had a small showing last time with only 8 golfers participating. I'll bet you wussies were too afraid it was going to rain! Well now it's nice outside, so come out and play! Tell your friends there is this awesome blabbering at the end of each scoresheet too, I think it'll be a big selling point.

Not sure if he is golfing this week or headed out to his honeymoon, but congrats to Matt VanHollebeke for getting married last Saturday!

Thanks and good luck this week!

- Your committee, Dave Burke & Jay Trachsel
