WEEK 5 GOLF LEAGUE NOTES

This is the final week for the 1st half, and we've got a really tight race! It looks like 8 people have a legitimate shot of winning as only 2.5 points separate 1st place from 8th place.

I want to mention I found an issue with the scoring in my spreadsheet, sorry for the inconvenience. It looks like I had it using HDCP from the CURRENT week instead of LAST week for the CURRENT week's scores.

Example: week 5's scores should be using week 4's HDCP, not week 5's HDCP. If it doesn't make sense, please follow up with me at golf on Monday. I'm thinking about bringing my laptop this week so we can review the scores in detail if you want. Here is how everyone was affected: Romas & Bill T. are losing 0.5 pts, Terry is losing 2 pts, Matt V. is gaining 0.5 pts, and Mike L. is gaining 2.5 pts. Sorry again to those golfers who were affected!

Regardless, the race is still close and its anyone's game, so good luck this week!

- Your committee, Dave Burke & Jay Trachsel
