WEEK 0 GOLF LEAGUE NOTES

Welcome to the Tri-V Golf League, 2013 edition! As of now, weather.com says its going to be 68 degrees which is hard to believe considering I'm looking at snow flurries out my window right now. Oh well, as always we'll play it by ear and hope for the best.

This year I want everyone to focus on one thing: golfing better than Mike Trachsel. This year he's going for his 4th consecutive league championship, and someone has to stop his ~~early sandbagging, then actually trying;~~ er... dominance.

Please let Jay or myself know if you're planning to get in on the 1st half, 2nd half, or both halves ASAP so we can set up the points. My understanding is we'll be adding some new golfers this year, so points will be up in the air for a few weeks until they've established averages and we can get it all figured out. Just as last year, we'll be using 100% HDCP.

See you on the course!

- Your committee: Dave Burke & Jay Trachsel
