## WEEK 11 GOLF LEAGUE NOTES

Well, I spoke too soon. It looked like our golfing skill improved as the season had progressed, but we took a step back this week with the league average jumping 3 strokes from 44.4 last week to 47.4 this week. I guess we can blame it on the rain. Hopefully next week brings us better weather.

After 3 weeks A flight is still anybody's to win, with 4 golfers tied for first and 2 golfers only 3 points behind. Mike T. had better get on the board soon before he gets left too far behind. As for B flight, it's shaping up to be a 3-way battle as Steve, Nick, and Dale are all dominating with 10, 9, and 8 points respectively. Nathan, Mike L., and Jack aren't out of it yet, but they had better step it up before its too late!

As a final note, Romas will not participate in B flight the 2nd half, so B now only has 6 golfers. If Jack is out of B flight as well, one A flight golfer may need to move to B flight. 2nd half points have been updated to reflect Romas leaving B flight, but more changes may be coming based on future potential changes.

Good luck, and see you on the course!
