WEEK 1 GOLF LEAGUE NOTES

Hello everyone & welcome back to the golf season! We had great weather to start, but as of this writing maybe not so great for week 2.

As usual, we had a lot of variability in golf scores for the first week. Look for averages to vary the first few weeks, then settle down. Based on this, I think we should consider changing how we do the averages at the start of the season. My proposal would be to use last year's average for the first 4 weeks, then switch over to using this year's scores after 1 round has been dropped. I haven't discussed this with anyone yet, but maybe something to talk about on the 1st tee and/or at the VFW hall.

Please remember to pay Jay for your 1st half/2nd half entry fee ASAP. Each half will be \$30 as usual. Thank you!

Your committee,
-Jay and Dave
