WEEK 2 GOLF LEAGUE NOTES

Welcome back to TriV Golf, 2024!

Please note some rule changes for this year (for those that didn't see last week or last last week):

Averages/HDCP are now calculated on a 10 week rolling average, dating back to the last 10 scores on record. The lowest 2 of the 10 scores are dropped and the remaining 8 scores are used for each golfer's average.

Same as last year, any score over double par per hole is counted as double par for net scores for calculating average. Raw score per hole is counted for calculating weekly points and low net. Again this is no change from prior years.

Points given per week are TBD depending on how many golfers we have signed up for normal league play.

As usual, entry fee for each half is \$30 and each side bet is \$2. Please get money in to Jay ASAP.

It's great to be back and looks like we'll have good weather for our first week. Good luck to everyone this year!

Your committee,
-Jay and Dave
