WEEK 2 GOLF LEAGUE NOTES

After two weeks it's again the Brian and Jay show with both of them finishing 1st & 2nd again, respectively.

Despite the early domination, nobody is too far behind to come back yet and the points will get re-shuffled once Dominick and John R. have their HDCP established. Reminder that points will be retroactively applied which may result in some players going down a little.

Finally we had a rare zero skin day this week. Therefore skins will carry over and anyone getting in new will need to pay \$4 to participate. Both greenies also carried over. New players will need to contribute \$5 to get in on those. Hopefully someone will hit a greenie this week assuming the winds are more favorable.

Your committee, -Jay and Dave
