President's Message

Well November is over. I hope everyone had a great Thanksgiving. If you weren't at the November Social you really missed a great time. The committee set up a great photo scavenger hunt that was a blast. Excellent job you guys. I can't believe it's already December. We have the Children's Christmas Party on Dec. 11th and a meeting on Dec. 14th. Hope to see you there. Also, there are some changes to the Committee assignments that will be attached to this newsletter please check them so you know what committee your on. I hope everyone has a Merry Christmas and a Happy New Year!

Book Club

The next book club discussion will be held on January 9, 2012 at the home of Irene Bliudzius. The book we are discussing is "Winter Garden" by Kristin Hannah.

Other books mentioned were:

"Isle of Palms" by Dorethea Benton Frank

"Land of Painted Caves" by Jean Auel (last book in series of Clan of the Cave Bear)

"The Big Over Easy" by Jasper Fforde (Nursery Crime Series)

Tri-V Wives Club

All women of Tri-V are invited to the following meetings. The meetings are held at member's homes once a month with the exception of the May dinner, July swim, and Christmas dinner. We have a short meeting and then play three rounds of Tri-V pinochle. The meetings start at 7:00 pm and we are usually done between 9:30 and 10:00 pm.

2011 November Social

The results are in and it appears that 30 people in and around the Tri-V club had a great time driving around Wayne county taking photos of themselves and landmarks of our area as part of the digital scavenger hunt. There were many people being pushed in shopping carts, holding pets, kissing Big Boy and even swinging on swings at a playground.

Some people found Christmas lights, others carwashes, others human billboards. Most found casinos, sporting venues and other landmarks of our great city of Detroit. Everyone enjoyed socializing, eating pizza, breadsticks and salad and receiving their prizes for their effort.

Prizes were awarded to all teams and participants.

First place will be enjoying a night out together at Olga's. The committee recommends the new one on Ford Road as it has a bar. \$50 in gift cards was given to the winning team. No team member's names will be revealed as a committee member was on the team. (That is my excuse for me not capturing all positions prior to leaving the fun)

Second place received \$25 in Olga's and \$10 Coldstone Creamery gift cards to have a night out together as well.

Third place received \$20 in Coldstone Creamery gift cards to enjoy.

All teams received one of various prizes such as crutches for those that complained about the activity, blind canes for those that did not see the many sights of Detroit and/or adult diapers for those that were winning throughout the event. Actually, no one did this to my knowledge but they were just fun to give out something to everyone.

We collected \$10/person to cover the food and I think and feel that everyone enjoyed the evening. Thank you to my committee who did a great job in putting this together and putting up something a bit new and different for the club. Additional thanks to Mike for the use of the projector and Brian/Steve who made sure it made the event. May this be only the beginning of a lot of fun over this winter and other Tri-V events.

Matt Hoffman

KID'S XMAS PARTY

The TriV children party was held December 11th at FB Wright. There were 24 members and spouses. 6 adult guests, 7 little boys, 10 little girls in attendance. All the children did crafts, ornaments for there trees. We had pizza, fruit, and veggies to eat. Deserts were cookies baked and decorated Logan. Kayla and Alyssa baked brownies Aunt Norma donated candy canes. The jolly old elf himself showed up bearing gifts for the kids. Everyone enjoyed themselves. A big thanks to Nick (Vicky) and Jason for all there work.

December pinochle at the Barnes'

We entertained the Dennis and Marlene, Brian and Jane, Jack and Jacqui, Mike and Robyn and Cal and Jan. The house was decked out including our newest holiday addition-the full size leg lamp glowing in our upstairs window! Together we enjoyed some appetizers and good conversation, then came the cards. Jane had a double pinochle. Overall scores were decent. Marlene was high for the night with 29 ½. The low was a two way tie with 14. An enjoyable night of conversation, food and cards was had by all.

Pinochle at the Angelosanto's

Pinochle at the Angelosanto's was the norm as everyone came in good spirits with a great variety of food in tow. We started playing cards with high hopes of high scores, but the pinochle gods were not smiling on me. As a good host I graciously accepted low for the night with 12 points. Whoever came up with the idea of tossing one score for the year has my utmost thanks. We were happy to welcome Walt Christensen as a sub. For those who don't know he was a member of Tri-V a few years back, but left to spend more time breeding and showing his Sheltie Dogs. He enjoyed our company as much as we enjoyed his. He showed an interest in subbing on future occasions. Jeff Trachsel took high with 30 1/2, followed by Karlyn Gies 24, Tim Gies 23 1/2 and Karen Thrift & Walt with 22. Everyone stayed until halftime of the MSU – Wisconsin game when they hurried to their cars hoping to catch the second half of the game. We had a great time entertaining good friends. Nick Angelosanto

Trifles

From the Cashmans

Cal went deer hunting November 11 thru November 18 at Lake City, Michigan with three other friends, but unfortunately he came home empty handed. Jan is really disappointed there will not be any venison to eat this year!! (not really) One of the guys did get a buck so they were all happy for him. The other guys saw several deer but not any they could really get a good shot at. The deer are getting smarter every year!! He enjoyed being with the other hunting buddies and enjoying the outdoors. Better luck next year!!

We were so happy to have two of our daughters and their families visit us through the Thanksgiving Holidays. One daughter, Kathy, husband Mike and two daughters Emily(6) and Kaitlyn (8) flew in from Buckeye, Arizona and our other daughter Kelly, husband Andrew and their two children Cassidy(12) and Drew(9) drove in from Franklin, Tennessee. Our house was bursting with energy from the grandchildren but we loved every minute. We all went bowling one afternoon and a couple of the grandchildren did better than the adults. We all went to Frankenmuth another day and enjoyed Bronner's Christmas Store and the famous chicken dinner at the Bavarian Inn. By the time Thanksgiving arrived we were ready for the full turkey dinner with all the trimmings. We had a wonderful time with our kids and grandkids and hated to see them leave. They all got back home safe and sound and they said they had a wonderful time being with family over the holidays.

From J. Lardin

Once again the Lardins were on the move in November. Judy left on Thursday, the week before Thanksgiving, after getting over a bad cold to spend the Thanksgiving week with her Mom in Illinois. Before she left she gave her cold to John to assure he would feel too miserable to do anything. He did manage to babysit Alyssa for Bev and Mike on Friday (and they thought he would not be able to handle her) and sub for euchre on Saturday (played 16 rounds and had 16 lousy partners). John joined Bev, Mike and the grandkids making the trip to Illinois in the pouring rain on Tuesday evening. Her Mom, who is 88, let Judy and her sisters help with the Thanksgiving meal, serving 18. On Saturday Bev, Mike and the grandkids left making an overnight stop in Indiana to visit Bev's aunt who had suffered a mild stroke last month. Judy and John left on Monday arriving in time to play 'Hand and Foot' with the Cashmans, Connollys and Schaefer's. On December 7th Judy and John will be flying to Corpus Christi Texas to celebrate grandson Jacob's fifth birthday returning on December 12th in time to celebrate grandson Dante's seventh birthday. Both Dante and Jacobs's birthday are on December 16th. Judy

will continue to get ready for Christmas with final shopping and decorations while John makes the plans for FLORIDA in January. Current plans are for John and Nick Angelosanto to leave on Thursday, January 5th and Nick to fly back in ????. Judy's plans are to fly down to Ft. Myers on ?????

From the Plocharczyks

Ken Plocharczyk joins the growing list of TriVers who have had joint replacement. On November 9th he had a total replacement of his left knee. The surgery was performed in Midland and he came home the following Saturday. The surgery went well, but there was a complication involving the catheter. He was sent home with a catheter which makes things a little more difficult. Thanks to all of you who have phoned, sent cards or emailed. We appreciate the good wishes, prayers, and words of wisdom

From the Connollys and Cashmans

November Social

We had an awesome time at the picture road rally. In our car there was much enthusiasm and excitement, as we raced from place to place and shouted out our strategies. We raced to downtown Detroit after completing our first two sets of requirements in Westland. We were running out of time; and had to head to our destination point, Mama Mia's, without visiting all the spots on the list. We had more fun as we viewed everyone else's pictures. Pizza and salads were devoured with plenty of liquid refreshments. Hats off to Matt Hoffman and his committee for providing such a fun filled evening. Terry, Ellie, Jan, Vickie

Christmas Greetings

We would like to wish our TRI-V friends a very Merry Christmas and a blessed New Year. We have enjoyed all the activities planned by the committees in 2011 and look forward to the 2012 activities which never disappoint. We have a great group of people in this club and we feel very blessed to be a part of it and hope that it will continue to grow and remain active for many years to come. Love to all!
Cal & Janet Cashman

For those that have young children or grandchildren there is so much joy to watch them on Christmas opening their gifts from Santa. As adults we should also keep in mind the true spirit of Christmas, the birthday of the Christ Child. Keep in mind those that are not as fortunate as we are. We are so fortunate to have the TRI-V Family to share the season with. What a wonderful group of people as we continue to look out for each other. As our founder Ray Suchner said "We look for special people to join the Club, ones that share our values." MERRY CHRISTMAS to the TRI-V Family. Judy and John Lardin

To our Tri-V family we wish a Merry Christmas and Happy New Year to all of you and yours. We pray that the upcoming year is one that brings all our families closer together and is one of health and growth in all of our lives. God Bless Matt, Christine, Timothy James, Baby-2-Be, Loki Verdi and Kensington Joy

A Very Merry Christmas and Happy New Year to you all. We have had a very exciting year with Andy and Nicole getting married at the lake house. It really turned out beautiful after a very rainy week. Marian received a call on the Thursday before the wedding to hang a rosary in the tree for good weather. Saturday of the wedding at 10 AM the sun came out and everything dried out and the day was sunny and the evening beautiful with a full moon to end the night. We are home for the holidays and Bryan, Rebecca and family will be up for a portion of Christmas week so we will be all together to celebrate the Lord's birth and all the blessings we have received as a family and our larger family of Tri-V. We hope to see most of you over the holidays and if not may God Bless you all and keep you safe and happy. Lee & Marian Anderson

Merry Christmas to our TRI-V family! May this year bless you with happiness and peace throughout the year. Blessings, Brett, Lynne, Corey and Jenna

Merry Christmas Tri-V and a happy 2012. We hope everyone has a safe and happy holiday. We look forward to having some time off from work and to spending time with family and friends. Hopefully you all get the chance to do the same. Bill, Michelle and family

Merry Christmas. We wish you great joy as you celebrate the birth of our Savior Jesus. Brian & Jane

Wishing all the Tri-V family a blessed Christmas and wonderful New year. Dion, Annemarie & Isabelle Angelosanto

It is that time of year again. How does the time fly by so fast. Tim and I spent Thanksgiving in Pennsylvania with daughter Lisa and her family. Gained 5 pounds each I am sure with their wonderful

cooking. Curt will have all of his family here for the whole Christmas week. We are really looking forward to that. Tracey and Nick are having us and his folks over Christmas evening for a special dinner. Sounds special and wonderful. Dushary's will be in town from December 21st until right after Christmas day. Looking forward to seeing them as we will not be able to stop and visit them on the way down to Florida this year. We have had a change of plans and will be in Florida Jan., Feb, and March. Ava is wanting the Christmas tree up. It is nice to have a little one around to keep us in the Christmas spirit. I pray you have family and friends to keep you in the spirit of the season and that all of you grandparents help everyone remember that Jesus is the reason for the season. God Bless You all. Tim and Karlyn Gies.

We would like to wish all our Tri V friends and family a very Merry Christmas and a healthy happy New Year. Jay and Liz Trachsel

Our prayer for all our friends is to have a peaceful, joyful season. May all of our immediate families know the blessings we have enjoyed and appreciate each other. May the new year shower our members with those continued blessings. Love and Hugs Schaefer

We were remiss in sending in updates to be put in the newsletter, so we will use this as not only our Christmas greeting, but our personal 2011 newsletter. We took a look back and reminisced a year of ups and downs. January started with the passing of Victoria's mother. We were able to celebrate her almost 90 years of life and can smile when we recollect the joy she gave us. Even though the year started with sadness things relaxed in February as we were able to escape the cold and visit Ft. Myers and many of the Tri-V snowbirds. We don't classify ourselves as snowbirds yet. Maybe in another year we can join their ranks, as Dominic hopes to retire in June (WooHoo). Spending vacations with our Tri-V friends continued. During the summer we joined the Trachsel family on their annual vacation to an Ohio State Park. While there we celebrated with Brian & Jane and Jeff & Karen as they welcomed grandchildren into their families. We again celebrated with a Tri-Ver as we traveled up north for the wedding of Romas Bliudzius' daughter, Christina. This was one of many weddings we shared with Tri-V members. We did have an immediate family "only" long weekend to Double JJ's Ranch in MI. Our children and grandchildren enjoyed indoor and outdoor water parks, a rodeo, horseback riding and more. It will join the ranks as one of our favorite memories. Our grandchildren, Dominic & Isabelle started kindergarten, Madison continued preschool and our sweet "Anthony" scales every object that he can and a few he shouldn't be able to. We've been busy with t-ball, soccer, hockey, dance, and cheerleading. We thought we were finished with sitting on hard bleachers and on sidelines in the rain, cold and sun, but it seems history is repeating itself. Nick's parents have needed extra attention this past year, so we've rightfully earned the title "sandwich generation". Nick's mom had many serious illnesses with many trips to the hospital that kept us running to their home and doctors, but we are ending the year on a high note. As we write this she is feeling very good, smiling and laughing again as all her ailments if not cured seem to be under control.

As you can see we were busy, busy, busy, but so much of that time we spent with our Tri-V FAMILY. We played, prayed, celebrated, and mourned together. As our extended family we can only hope and pray for the best in life for all of you and yours. May your 2012 start and end on a high note. We wish you all a very merry and blessed Christmas. Nick and Victoria Angelosanto

MEMORIES FROM THE DECEMBER 2001 ISSUE OF TRI-V UMPH

Though we share the joys of the Christmas Season there, unfortunately, are those that still need our prayers. Nap Ayotte suffered a stroke just before Thanksgiving and was placed in a nursing home facility for rehabilitation and will probably not be coming home and for Fraser Forsyth who continued to struggle with recurring health problems. Judy Lardin was scheduled to have out patient foot surgery December 14th to correct a bunion and hammertoe problem. She should be able to return to work in three weeks. Good health news reported was the success Kim Lardin was having with her open heart surgery and placement of a pacemaker at the young age of 24. The first two weeks after surgery the pacemaker had gone off 30 times. There were reports off the success of the siblings of members. We start with Tracey Gies stating her first job at Visteon in June after graduating from Central Michigan University in June. Gretchen Dunham was receiving her Masters Degree in English the first part of December from Western Michigan University. Debbie Anderson was graduating the first part of December from Eastern Michigan University with a Masters Degree in Occupational Therapy and Jim Trachsel was graduating the first part of December from Central Michigan University with a degree in Computer Science. Bill Trachsel is into his first teaching job at the same middle school that is Aunt Jane teaches at. Many thought that Bill was the son of Jane. Terry and Sue Dunham have bought a house in Franklin Tennessee and the closing is set for the end of January 2002. Dick and Joyce Barnes celebrated their 50th wedding anniversary in September at the home of Lynn and Brett and this was followed by Mom and Dad taking all their adult children on a seven day Caribbean Cruise in November. Travelers included Bob and Peg Wendt and Bill and Onallee Trachsel returning to Michigan for the holidays while Art and Lorraine Trachsel were driving to Hattiesburg Mississippi for the holidays. Judy, John and Mike Lardin made a five day trip to San Antonio Texas to visit Larry and play a few rounds of golf and on their return Judy's Mom and Dad made their annual trip to Michigan for Thanksgiving flying in for the week. George and Peg Hoffman spent and extended weekend in Ohio working on their genealogy and Sophia was able to fly to Syracuse New York to visit her oldest daughter and her family. The December Christmas and Council Party was set for December 16th at Damon's Restaurant in Canton. Pinochle standings through November play had Helen Ryan in first place with 56.5 points, Brian Trachsel in second place with 49.5 points and Karlyn Gies in third with 48.5 points. There were 22 Christmas greetings in this issue.

MEMORIES FROM THE DECEMBER 2006 ISSUE OF TRI-V UMPH

How much difference five years can make in the health of the TRI-V Family. We continued to pray for Peg Wendt was coming along slowly following her stroke and two weeks in the hospital as she was very weak. Jim DeLanoy ended up in the hospital for a couple of days after feeling a weakness on his right side. He was diagnosed with a TIA and was doing okay at this time. John Lardins recovery from knee replacement continued on track as he continues to go to out patient therapy three times a week as well as doing exercise at home each day. News of travel included six TRI-V couples, the Hoffmans, Schaefers, Andersons, Connollys and Kuhrs on an amazing tour of the US National Parks out west. Judy and John Lardin and John's sister, Mary, made a one day trip to Akron Ohio to join in a surprise 90th birthday party for John's aunt while Judy's mom flew in to celebrate Thanksgiving with John's family. Ken and Diane Plocharczyk became grandparents for the first time with the birth of Jaiden Renee to Ken's son Keith and his wife Jen and Judy and John Lardin became grandparents again with the birth of Jacob in Texas to Larry and Kim. The Children's Christmas Party was held on Sunday,

December 17th at Madonna University, Livonia while plans were made for those interested to attend a Christmas Concert at Ward Church, Northville. All those planning on attending the 70th Anniversary Party in June at McGuire's Resort in Cadillac Michigan were encouraged to make their reservations. Pinochle standings through December play had Judy Lardin in first place with 73 points, Vickie Angelosanto and Jan Cashman tied for second place with 70.5 points and Tim Gies in fourth place with 70 points. There were 20 Christmas greetings in this issue. This wraps another trip down memory lane. This is a special time of the year for all of us. For the children it is the look on their faces as we watch them open their gifts from Santa and for the adults a chance to share the many memories of past Christmases. I looked last week at a couple of old Christmas pictures when I was growing up and thought how good the Man Upstairs has been to our family. Always remember your roots, where you came from and what your Mom and Dad endured. Back then most of us were not aware of the hardships our parents were going through and did their best for us to have a wonderful Christmas. Like our parents looked after us the TRI-V Family continues to look after each other. It is an amazing organization that all of us are blessed to be a part of. Now is a good time to share your memories with your children and grandchildren, the good ones as well as the bad ones. Until we see you in print next month, the Good Lord willing, take care of one another.
